**RE :** COVID-19 Pandemic and New Appointments

GOD be praised for the opportunity to be part of His healing ministry especially during this difficult and critical period, the COVID-19 pandemic crisis!

Life in the hospital these past months has not been easy. The demands were overwhelming. Doubts, fear, worry and anxiety flood our thoughts. It is just with God's assurance that HE is with us in what we are going through and that in our weakness HE is our STRENGTH that we are at peace being in this ministry. We continue to ask for GOD's GRACE to relinquish control over the situation and let HIM take over. We just do what we could and leave the rest to GOD. We also continue to ask the intercession of Our Lady of the Miraculous Medal.

I thank **SR. MANILEÑA LIBO-ON, DC**, our Vice President for Health Services and **DRA. MIRLA SEVERINO**, our Medical Director and the Hospital Management TEAM for their collaborative and discerning efforts in responding with passion and compassion the demands and call of the time. In a special way, I also thank all of you our dear FRONTLINERS for risking your life so that we can continue participating in God's ministry of healing the sick especially the poor.

The "coming and going" of the Daughters of Charity is part of our LIFE and MISSION. As we thank **SR. PHOEBE CAPANGYARIHAN, DC** who has been with us for 13 meaningful years as Institutional Treasurer and Director for Finance in the Hospital, we welcome **SR. TERESITA ABASTILLAS, DC** as Institutional Treasurer and **SR. MARY ANN QUINCENA, DC** as Director for Finance.

With Ma'am NIDA BAYSON's retirement come September 7, 2020, we welcome **SR. MA. SHARON NIEVALES, DC** to take on the responsibility as Director for Ancillary. Thank you very much Ma'am NIDA for unconditionally giving yourself to SJDEFI-Hospital!

May we continue to give our full trust and confidence to those GOD sends to us. May GOD's GRACE be upon our newly appointed SISTERS to take on the Mission of leadership.

Thank you for being part of SJDEFI-Hospital family! You are of great importance in accomplishing SJDEFI's Mission.

*May GOD dwell in our hearts all the time and  
may HE continue to protect us and our respective families.*

*St. John of God, Pray for us.*
